

PRE-BAPTISM MEETING

Written by Publisher

PRE-BAPTISM MEETING - "Just before a child turns eight, a counselor in the Primary meets with the child and one of their parents to discuss the Faith in God program and the Achievement Days/Scouting program (whichever is appropriate). They are then asked to choose a date for the baptism (assuming they are fully active) and get in touch with the ward mission leader. We have never had a family suddenly decide they needed to have a baptism, thank goodness!"
