

BAPTISM BOOK OF MORMON

Written by Publisher

BAPTISM BOOK OF MORMON - "At each of our baptisms, we attach a big white Avery sticker to the inside of the covers of a paperback Book of Mormon. During the baptism service, we pass a book around for each child, and have everyone who attends the baptism sign the books. At the end of the baptism, one of the Primary Presidency presents the children with their very own Book of Mormons so they will have a record of everyone who attended their baptism."
