

BAPTISM TOWELS

BAPTISM TOWELS - "For the baptism age children in our ward, we bought inexpensive towels and machine embroidered CTR and the year of their baptism on it, then presented them with it on a special "It's great to be 8" night. I also wrote a poem that we gave with them

My Baptism Towel

This baptism towel is to help remind you
Of your baptism day all the years through.
When you come out of the water all clean and pure,
Dry off with this towel and you can be sure,
That you are as clean as this towel is white.
And the Holy Ghost will be with you both day and night.
For the Holy Ghost is your gift after the laying on of hands,
And will be a comfort and a guide if you obey God's commands.
This CTR emblem will help remind you to be strong
And remind you to choose the right as you continue to learn right from wrong.
When your towel becomes soiled, remember that we too
May sometimes make mistakes and we've been taught just what to do.
Just as you can wash your towel so it can again be clean,
The wrongs you make can be washed away and never again be seen.
Your Heavenly Father loves you, remember always to pray,
and He will be beside you forever and a day.©

You are more than welcome to use my poem..." GERI KENDRICK, BOUNTIFUL, UTAH
