IDEA FOR SACRAMENT MTG. PROGRAM - "Our sacrament meeting program rarely has a nice picture on the front of it, so we have started something new in our ward. Each primary child was given a piece of paper and pencil and asked to draw a picture of their favorite scripture story, then sign it and write their age. Then, each week a new picture is featured on the cover of our sacrament meeting program. The kids can't wait to get to sacrament meeting and see whose picture is featured this week."
