REVERENCE HELPS FOR WHEN PRIMARY IS FIRST/REMINDER NOTES - "We run into children coming in late even though they have been scripture, prayer, or talk assignments. If I notice either scripture or prayer not there by the time we are to start, I will ask someone else to do it for them. I have a scripture prepared before I go to church, just in case the assigned scripture is not there. If that person shows up late and still wants to do it, I have them do it before the talks are given. When the teachers make assignments they fill out a form that tells what the child has been asked to do, what the theme is, and gives the time that the child should be there (this still doesn't guarantee they'll be there on time, though!) My secretary calls the children on Saturday to remind them of their assignments." JERI, RIVERTON, UTAH
