

REMINDER NOTES

REMINDER NOTES - "I announce who is giving the scripture, prayer and talks during our opening exercises, I hand the children a cute note and I also put who is doing what in our monthly newsletter that goes to the parents at the beginning of the month. We also call the Friday or Saturday before church and remind the child or parent (with talks) of their part in opening exercises. Most of the time it works - of course there will always one's who aren't home, or forget."
