

MAIL BOX

Written by Publisher

MAIL BOX - "I came up with the idea of Primary Special Deliveries. I took a white mailbox and stenciled different shapes on it. I then attached it to a bright red stand. It is brought out every Sunday and inside we have our birthday announcements and spotlights. Anything that is exciting and needs be announced goes into the mailbox. The children know when there is mail because the flag is up. They love it and look forward to it each Sunday." DANETTE, HUMBLE, TEXAS
