"PRESIDENT HINCKLEY SHOWS THE WAY; WE HEAR AND FOLLOW HIS WORDS TODAY" - "President Hinckley has taught us to Strengthen our Family and Every member needs a friend.

Objective: Children will be involved in activities that help them learn 1. To strengthen their family through family home evening; 2. How to be a friend.

DON'T DROP THE BALL! Gathering activity: Children divide into two teams which form two circles--one inside the other, both facing out. Give three balls to each circle. The object is to pass these balls around the circles, in opposite directions, and keep them going at a fast pace. If a player drops a ball, he is out of the game. The team with the most players at the end (10-15 mins.) wins. (Cub Scout Leader How To Book) We sang the chorus to "Follow the Prophet" as we passed the balls. "Don't Drop the Ball" talk by Pres.
