BREAKFAST - "Since This is the beginning of the new year and all of the children have new teachers, we decided to have a "Meet your teacher Breakfast" It only lasted and hour. We served pancakes, Bacon, Juice and Milk. The teacher brought little activities for their own class to do. We had a lot of fun. It was a great success. We had 40 out of 50 children show up. We do this every year." JUDY, WASHINGTON
