PIE POTLUCK - "Primary Pie Potluck Dinner. Each family brought 2 pies - one to share for dessert and 1 to exchange and take home for the next day's dinner. We had several pie-type games for the children and adults to participate in. Pie throwing - spin the pie plate on a stick - pie dough rolling - pie eating, etc. We divided alphabetically the members of our Ward and they brought a main dish or a salad depending on the 1st letter of their name."
