

MIGHTY MISSIONARY DAY

MIGHTY MISSIONARY DAY - "We enjoyed a successful activity centered around the missionaries. We called it our Mighty Missionary Day. The children were able to see and hear a little bit about each missionary from our ward (pictures, hobbies, and where they were serving) There was stationary for pictures and letters and mailbags for each missionary. The children then experienced with the help of our ward missionaries a Day in the Life of a missionary (door approaches and an alarm clock etc.) Next they wrapped a small item that they brought from home to put in a care package (candy, Kool-Aid, pens, stamps, etc.) . Then they told a little bit about themselves on a taped interview and gave words of encouragement. Last they helped make large Mighty Missionary Cookies (M&M's). Before eating we recorded about 8 of our favorite primary songs to be included on the tapes. The children loved this activity and so do the Elders and Sisters serving from our ward when they received their surprise care package of love." KIM, CALIFORNIA
