LEARNING ARTICLES OF FAITH - "We are working together as a primary in learning the Articles of Faith. We start out in Jan. learning the First Article of Faith, in Feb. we will learn the Second Article of Faith etc...and that way we as a presidency, teachers, achievement day leader and parents know what Article of Faith we are on and the children are not trying to learn 3 different ones at the same time. We also encourage the children once they have learned one to continue onto the next Article of Faith even if it is not the month for that Article of Faith."
