

GOSPEL IN ACTION KICK-OFF NIGHT

Written by Publisher

GOSPEL IN ACTION KICK-OFF NIGHT - In January we had a Gospel in Action Kick Off Night. We invited all parents of Primary children because we have a very small Primary, about 25. The program was divided up into talks and music. We had two talks by children who already had received their necklaces. They how they accomplished getting their award. The Primary President opened and gave an introduction to everyone about what the Gospel in Action program was and how it worked. We had a special Primary song by the Primary children. Our Branch President gave a talk about how important goals are throughout our lives and how the gospel in action helps us set worthy goals. Before the prayer we gave all Primary children a gospel in action card, even the little ones. After the closing prayer we all had ice cream sundaes.
