

LEARNING ARTICLES OF FAITH

Written by Publisher

LEARNING ARTICLES OF FAITH - "Our ward has been doing a program where the kids can earn 'scoops' throughout the year... one scoop for every article of faith learned. In September we have a party and you get as many scoops of icecream as you earned. Throughout the year, we had a poster with a ice cream dish on it and little cut-out scoops that the kids could put their names and the # that they had memorized on it. We also had the teachers keep track in the roll book of which ones were memorized."
